Value | Knowledge | Service | Delivery

VALUE

Our extensive knowledge of facilities and breadth of product lines ensures the right quality part the first time.

KNOWLEDGE

There isn't much that we haven't seen and with such an extensive talent pool, we can always find a solution to your plumbing needs.

SERVICE

Service is what we are about. From the initial phone call or visit until you have the right product in hand and installed we are your true partner in helping you get the job done.

DELIVERY

We have over 11,000 items in stock which can ship the same day. Stock items delivered next day to most locations in the Northwest.
