What's New at KCDA ...

Organizations like KCDA are constantly changing, growing, and evolving. Managing change requires an open mind and the ability to listen to your stakeholders. It calls for modifying your strategic goals to adapt to changes in your environment. It means embracing customer service and being forward thinking. Here are a few of the areas where change is happening at KCDA:

New People

- **Purchasing Team:** Michelle Ortiz, Debbie Day, Valerie Ellefsen, and Shaneel Fox-Lockard joined us this past year to provide additional support in bid development, contract administration, and inventory control.
- **Warehouse Team:** Travis Couture, Donnie Medlock, and Jamie Lee were hired to help support our warehouse activities and to strengthen our internal controls.
- **Administration Team:** Lisa Russell, Shalena Putnam, and Rita Alford took on new responsibilities needed to meet the increasing number of contracts, vendors, and accounts.
- **Board of Directors:** Anne Moore, Issaquah School District Board member and Pam Teal, Renton School District Board member were elected to our board in 2016.

New Initiatives

- Integration of New Website and e-Commerce System
- Adopted New Procedures to Safeguard Inventory
- Refurbished Parking Lot, Warehouse Roof, Office Lunchroom/Bathroom, and Building Sign
- Implemented New Safety Awareness and Peer Recognition Programs

For more than 70 years, KCDA has been a leader in providing centralized procurement services to our member school districts. KCDA helps districts focus their resources in the classrooms by creating volume purchasing and fulfilling bid law requirements. KCDA operates as an extension of your purchasing department, governed by the basic laws and regulations that apply to all school districts in Washington. Every dollar spent using our contracts increases our purchasing power and helps us get lower pricing to our member districts. More importantly, you can be assured that our contracts are safe, legal, and compliant. KCDA is audited annually, resulting in only one finding over the past 13 years.

Water Bottle Filling Stations now available from KCDA!

Lining up at the drinking fountain is a memory many of us have from our school days! Some older schools may still have the original old fashioned porcelain drinking fountains mounted in the hallways from the time their schools were originally built.

Today's schools have much more modern drinking fountain options and now have a high tech companion unit available ...**the water bottle filling station.**

Water bottle filling stations allow students to refill their own water bottles using the convenience of an upright dispenser specifically designed for the task. Holding your water bottle at a slant while trying to aim the drinking fountain stream into it is now a thing of the past!

KCDA has three newly awarded water bottle filling station contracts to choose from. Just Because Water offers the Elkay line, Sitalines features the Murdock line and The Parts Works offers filling stations from Oasis and Halsey Taylor. The awarded contracts and product information for each of these product lines can be found on KCDA.org under contract # 16-305 along with full color brochures showing examples of each. For more information on the water bottle filling station options available from KCDA please contact Valerie Ellefesen in our Purchasing Department at Ext 134.

MEET OUR STAFF

Barry Fredericks – KCDA Warehouse Manager

Summer is the busiest time of the year for KCDA Warehouse Manager Barry Fredericks! While our schools enjoy their brief summer break, Barry and his warehouse staff are hard at work assembling and shipping the back to school supply orders ordered each July through September. Throughout the year Barry oversees a regular warehouse team of twelve (12) full time employees that operate our 170,000 sq. ft. distribution center in Kent, WA. During the summer months Barry's employee numbers swell to include over 70 seasonal employees that assist our regular staff with picking, packing and shipping the thousands of back to school supply orders placed by our school district members.

Barry has worked full time with KCDA for the past 23 years and also spent 5 summers working for KCDA as a college student while putting himself through Washington State University where he graduated with a degree in Physical Education and Biology. Outside of KCDA Barry is a tennis coach and is actively involved with the lives of his four children who range in ages from 9 to 18 years old.
