Improve the health and academic status of your students this upcoming year using an evidence-based, teacher-friendly digital platform that costs less than the price of a school lunch (**only \$2.50/per student**) for the entire year!

Consider including this **whole child, healthy living program** at special pricing through our partnership with **KCDA Purchasing Cooperative**. This program contains content for all educators (including Specials, ESOL, STEM, etc.) and can be accessed at home via your school's learning portal. Complimentary virtual training is included.

Click below to schedule a short overview of the program and to discuss how this might fit into your programming!
