PARTNERSHIPS

FIRE RESTORATION

- Through the power of our partnerships we responded to a Fire Restoration call in the Greenbush area (Kansas).
- Fire Damage within a School.
- Our team assessed the damage, made a plan of action, and enacted the plan utilizing our skilled crew, and advanced equipment.
- All while communicating and cooperating with a local contractor. To make the process as smooth and efficient as possible.
- All before the start of the school year.
