# Make the switch to a facilities management solution you can trust

# 7 reasons to choose FMX

### SINGLE LOGIN FOR ALL FEATURES

Staff can submit work orders, book rooms, and reserve resources without logging into different systems.

### HIGHLY CONFIGURABLE SYSTEM

We've helped schools set up discipline tracking systems, facility cleaning schedules, and security workflows to ensure all of their needs are kept under one system.

### UNIQUE PERMISSIONS FOR EACH ROLE IN YOUR DISTRICT

You can add as many "user types" as you'd like to FMX so they can access the requests and features that matter most to them.

### EASY TO USE

Our customers love how easy FMX is to use. Access the request portal and report issues, book rooms, and reserve resources in a few clicks.

### UNLIMITED TRAINING TO ENSURE YOUR SUCCESS

With a 99% customer satisfaction rating and 98% customer renewal rate, our best-in-class support provides help when you need it most.

### ROBUST REPORTING AND INSIGHTS

Instantly pull reports on asset data, maintenance costs, inventory levels, and facility usage to gain total visibility into your operations.

### SEAMLESS IMPLEMENTATION

Many customers imagine long training periods and notable business disruption; however, most requesters can learn how to use the system after just one short training session.
