

KEEP YOUR BLEACHERS SAFE AND COMPLIANT

Schedule Your ICC-300 Mandated Annual Inspection

Keeping your bleachers safe and operable is more than a requirement, it's the right thing to do for the safety of your fans. Certified Hussey Seating Field Engineering representatives perform the most comprehensive inspections in the industry and provide a detailed report itemizing non-functioning parts.

► Have you:

- Had your ICC-300 mandated inspection of your telescopic bleacher or platform seating?
- Checked your telescopic bleacher or platform to ensure you have an updated ICC-501.2.1 compliant label like this? ►►►

Ask your local Hussey Seating Dealer what other product lines they are certified to inspect. Comply with the latest version of ICC-300, ensure systems operate safely, increase longevity, and protect your investment by scheduling an inspection today.

We can inspect multiple spaces in one visit.
